| 6  | Course Description     | This course is designed to provide students with the basic principles of English for Specific Purposes (ESP). It comprises lecture, seminars and discussion, student will be given in opportunities to discuss the relevance and application of course input to their own teaching situation, it has been applied to a situation where a student has some specific reasons for learning the language for example English for Islamic studies, banking, hotel, tourism etc. |
| 7  | Learning Outcome       | After attending all required lectures, actively participating in discussion, and completing all the assigned tasks, the learners are expected to be able to design ESP teaching materials with all aspects needed in the implementation of ESP based on the results of needs analysis on a particular workplace.                                                                                                                                                           |

## B. Description of Teaching Plan
