Jurnal Pendidikan Dasar was initiated and established for the first time on May 27, 2012. However there was a change in the nomenclature and the different personnel composition to be proposed and reactivated under the new name, Basic Education, previously named Pedagogy journals. The purpose of the establishment of the journal is to provide a publication container for the author to pour ideas and studies equipped with the results of research in primary schools. The basic education journals changed management personnel several times. This is due to various obstacles that can not be solved, one of which is the busyness of the team managing the journal. However, this journal has been published in printed volumes and 6 numbers. The emergence of changes in the paradigm of scientific periodical publication issues contained in the Accreditation
