

***International Seminar on Promoting Local
Resources
For Sustainable Agriculture and Development,
18-19 September 2024
University of Bengkulu, Bengkulu, Indonesia***

Reference No: Iseprolocal-2024-116
Date: August 01, 2024

Dear Fadilah, Marulak Simarmata, and Muchammad Farid, and Sukisno.

We are pleased to inform you that your article, **“Estimation of Sustained Groundwater Resource Potential by Analyzing Aquifer Depth Lithology in Selebar Subdistrict, Bengkulu”** has been **accepted** by the Scientific Committee of Iseprolocal 2024 for presentation at the *International Seminar on Promoting Local Resources for Sustainable Agriculture and Development, 18-19 September 2024 at University of Bengkulu, Bengkulu, Indonesia.*

Thus, this statement is made in truth so that it can be used properly.

Thank you.
Sincerely,

Dr. Ir. Nurmeiliasari, S. Pt., M.Sc. Agr
Executive Secretary
