Deskripsi Singkat MK		This subject is specifically designed to give students the necessary skills and confidence to deliver professional and articulate presentations for academic and professional forums where English is the medium of communication, such as conferences, seminars, poster presentations, etc. The emphasis put on variety, language skills, and the balance between input and practice throughout the course will help students become more confident, autonomous, and competent speakers of English. The teaching-learning activities are student-centered learning conducted through contextual instruction, small group discussion, simulation, and presentation.
